HM PRISON – DELAY IN OPENING OF NEW PRISON

Can Government explain why the opening of the new prison has been delayed and when it is now expected to be opened and fully operational?

ANSWER

The hon Member is referred to the answer I gave him to Question No. W120 of 2009. At the time practical completion had been projected for 31 December 2009 because of the development of the second floor. Delays in the supply of material by specialist suppliers has meant that completion will be delayed by a few months. It is expected that the new prison will be handed over to the Prison Service by May 2010. The Prison Service then has to train staff in situ at the new prison and undertake the transfer.
