**QUESTION No: W36/2021**

Questioner: The Hon D J Bossino

Please state what the Government's policy is in respect of cruise liner visits, in particular in relation to the disembarkation of passengers and their participation in on-shore excursions.

**ANSWER**

**THE HON THE MINISTER FOR BUSINESS AND TOURISM**

Mr Speaker,

All passengers and crew wishing to disembark at Gibraltar whether fully vaccinated, partially vaccinated or unvaccinated or whether booked on a shore excursion or not, must have a valid PCR or Lateral Flow test taken up to 72 hours before the ship's arrival at the port.

The Gibraltar Parliament

**QUESTION No: W37/2021**

Questioner: The Hon D J Bossino

Is the Government satisfied as to the state of cleanliness of the pavement surrounding the air terminal building and the state of repair of the main entrance revolving door?

**ANSWER**

**THE HON THE MINISTER FOR BUSINESS AND TOURISM**

Mr Speaker,

The Hon Member asks about two areas.

The Government is not completely satisfied with the state of the pavement surrounding the air terminal building. The composition of the current external floor tiles are of a sandstone composition and have been found to be not fit for purpose. These were chosen by the GSD when they were in Government. They are extremely porous and absorb all types of dirt and grime. HM Government of Gibraltar has already invested money in attempting to clean these, with no effect, as the sandstone remains stained. Pressure cleaning results in the tiles pitting and ridging which leads to further accumulations of dirt in time. In addition, HM Government of Gibraltar contracted the services of a paving specialist contractor who made safe all of the uneven tiles that had become trip hazards as a result of these not being laid properly in the original project. The only solution for this is a complete replacement of all the GSD's chosen floor tiles with a more appropriate choice of material. This is being costed but is not scheduled for replacement yet as there are other more urgent priorities that need tackling.

The main entrance does not have a revolving door. There are two curved sliding doors comprising of a set of external and internal door leaves. One of the external door leaves in the northernmost door set has a crack. This crack was initiated accidentally with a trolley and further enlarged by an aggressive passenger who was subsequently arrested and fined for this offence and others he committed. The nature of the design of the door results in replacements having to be manufactured for it and we are waiting for this to be delivered and fitted.

**QUESTION No: W49/2021**

Questioner: The Hon E J Reyes

Can Government provide details of the Speech Therapy facilities currently in place and available for students of St Martin's School?

**ANSWER**

**THE HON THE MINISTER FOR HEALTH AND JUSTICE**

Mr Speaker,

Speech and Language Therapy staff from the GHA use two therapy rooms at St Martin's School for both individual and group intervention. These rooms are purpose built and incorporate the use of a one-way viewing mirror that will lend itself effectively to assessment, observation and training. A hearing induction loop is also installed in one of the rooms to enhance auditory processing and listening for pupils with hearing aids. In addition to clinical space, SLTs are allocated a shared office with other members of the GHA Paediatric therapy team including Occupational therapists and Physiotherapists.

There are currently three Paediatric Speech & Language Therapists allocated to working part-time within St Martin's school and Early Birds nursery; this enables a daily on-site presence which ensures that a Speech and Language Therapist is always available to provide advice and support in all matters related to communication or feeding.

**QUESTION No: W51/2021**

Questioner: The Hon D A Feetham

Can the Government please state how many people have been convicted of drink driving on the basis (or with the assistance) of unapproved breathalyser equipment?

**ANSWER**

**THE HON THE MINISTER FOR HEALTH AND JUSTICE**

Mr Speaker,

No persons have been convicted of '*drink driving*' on the basis of unapproved breathalyser equipment.

194 persons have been convicted of '*drink driving*' with the assistance of unapproved breathalyser equipment.

**QUESTION No: W52/2021**

Questioner: The Hon D A Feetham

Can the Government please give a breakdown by year of the people who have been convicted of drink driving on the basis (or with the assistance) of unapproved breathalyser equipment?

**ANSWER**

**THE HON THE MINISTER FOR HEALTH AND JUSTICE**

Mr Speaker,

No one has been convicted of '*drink driving*' on the basis of unapproved breathalyser equipment.

198 people have been convicted of '*drink driving*' with the assistance of unapproved breathalyser equipment. These are as follows:

2017 – 34  
2018 – 59  
2019 – 66  
2020 – 35  
2021 – 4

The Gibraltar Parliament

**QUESTION No: W53/2021**

Questioner: The Hon D A Feetham

Can the Government state why breathalyser equipment used to arrest, charge and prosecute individuals in Gibraltar in relation to drink driving offences remained unapproved for what appears to be years?

**ANSWER**

**THE HON THE MINISTER FOR HEALTH AND JUSTICE**

Mr Speaker,

The device used for administering road side breath tests following the passing of the enabling legislation in January of 2016 is the Drager Alcotest 5820. The Drager Alcotest 5820 is widely used by UK police forces and is approved by the EU.

Section 63C(1) of the Traffic Act 2005 requires preliminary breath tests to be administered by means of a device approved by Government. This Government approval requires publication of a Legal Notice which in this case had not been sought or given. This was rectified in October 2020 by LN 2020/337.

Positive readings given by the device between January 2016 and October 2020 were accurate. In all instances, drivers who provide a positive roadside test are then required to provide another sample on the fixed [and more precise] equipment at New Mole House. It is the reading from this second test, and not the roadside test, that is used to support a charge of 'Drink Driving' in court.

Further to the answer provided to Question No.302 of 2020, can Government provide details of the outcome of the two investigations which were ongoing at the time in respect of possible illegal occupations of rental homes, together with details of all legal costs relating to these investigations?

**ANSWER**

**THE HON THE MINISTER FOR EMPLOYMENT, HOUSING AND SPORT**

Mr Speaker,

The Housing Department can confirm that of the two cases mentioned in answer to question No.302 of 2020, one case has recently been resolved and the flat returned to the housing stock, the other case is still going through the Court process.

The invoice relating to the resolved case has not yet been received by the Housing Department.

The invoice in relation to the unresolved case will be submitted and processed as soon as the case is resolved.

Since 1<sup>st</sup> January 2012 how many Government housing tenancies have not been approved to be passed on to family members residing with the tenant after the tenant has:

- a) been hospitalised
- b) admitted into Elderly Residential Care facilities, or
- c) admitted into Hillside or Ocean Views,

giving a breakdown of the number of tenancies by calendar year and indicating whether the former tenant had died, been hospitalised or transferred into care facility, together with the reasons why these tenancies were not transferred?

**ANSWER**

**THE HON THE MINISTER FOR EMPLOYMENT, HOUSING AND SPORT**

Mr Speaker,

As the Honourable Member may be able to appreciate and recall from his time in Office, the information he is requesting has never been quantified. I am informed by the Housing Department that this very specific information in respect of processes has never been recorded within the housing database with the level of detail being requested and therefore not readily available for reporting purposes.

**QUESTION No: W67/2021**

Questioner: The Hon K Azopardi

Does the Government have updated information on the proposed commencement of construction of the Bob Peliza Mews and Chatham Views project?

**ANSWER**

**THE HON THE MINISTER FOR EMPLOYMENT, HOUSING AND SPORT**

Mr Speaker,

As was explained in answer to Question 873 in March 2021, the start of Bob Peliza Mews is linked to the decommissioning and demolition of the Waterport Power Station and the AquaGib Reverse Osmosis Plant. The processes required to achieve this have started and once completed, will allow construction of the housing estate to commence in two phases. The construction of the estate is programmed to take thirty five months to complete after it is started.

As was similarly explained in answer to Question 873 in March 2021, the start of Chatham Views is linked to the clearance of the Westside School and Westside Mews site. The Westside Mews decanting process is almost complete after which demolitions can begin. The construction of this estate is programmed to take twenty seven months to complete after it is started.
