

## NOTICE

### 2019 REGISTER OF ELECTORS

In preparation for the compilation of the 2019 Register of Electors, either of two electoral registration forms has been posted to every household in Gibraltar.

The forms must be completed and returned to me in the enclosed prepaid envelope within five days of receipt. Alternatively you can register and conveniently update your voter information online at: [www.parliament.gi](http://www.parliament.gi) .

The first form has particulars of persons that my records show as residing at a particular address. Please check these particulars, correct them if necessary, verify that all persons continue to meet the eligibility criteria and include any other person living there who meets that criteria.

The second is a blank form which is being sent to those householders who, for the first time in relation to their address, need to provide particulars of all persons living in the household who meet the eligibility criteria.
